KingdomFlow modules

What each module does and how important it is. Importance is a judgement of how central the module is to running a church on the platform.

People

MODULE	WHAT IT DOES	IMPORTANCE	WHY
Members	The church's people: profiles, contact details, status, groups and member-app login.	Critical	Everything else hangs off it.
Families	Links members into households.	Medium	
Leaders	Pastors and leaders directory.	Medium	
Youth	Youth members and their records.	Medium	
Committee	Church committees and who sits on them.	Low	
Volunteers	Volunteer roster, ID cards and verification.	Medium	

Ministry and activities

MODULE	WHAT IT DOES	IMPORTANCE	WHY
Events	Calendar and list, recurring events, registration, paid events and passes.	High	The weekly rhythm; paid events earn platform fees.
Bible School	Programs, courses, lessons, live classes, quizzes, assignments, certificates and outside students.	High	A differentiator with a paid-program revenue stream.
Prayer	Prayer wall, voice prayers and staff follow-up.	High	Heavily used by members.
Ministries	Ministry teams and their members.	Medium	
Worship	Songs, worship teams and schedules.	Medium	
Media	Sermons, videos and recordings.	Medium	
To-dos	Task lists for the team.	Medium	
Planner	Plans and steps for projects.	Low	
Attendance	Check-in by QR or manually, with reports.	High	A core weekly task.
Forms	Custom forms and responses.	Medium	
Folder	Shared documents and files.	Medium	
Reports	Monthly and summary reports.	Medium	

MODULE	WHAT IT DOES	IMPORTANCE	WHY
Widget	An embeddable website widget.	Low	

Calls and streaming

MODULE	WHAT IT DOES	IMPORTANCE	WHY
K-Connect	Video and audio calls with a waiting room. Monthly minutes per plan; extra minutes can be bought.	High	Used by meetings and Bible School; sold as minutes.
Live stream	Broadcast room, restreaming and the viewer experience in the app.	Medium	Switched on per church.

Finance (Finance plan)

MODULE	WHAT IT DOES	IMPORTANCE	WHY
Donations and Fund raisers	Online giving, fund-raising campaigns and receipts.	Critical	Money, and platform fees on the shared gateway.
Offerings and tithes	Church-wide giving types.	High	
Accounting	Income, expenses and ledgers.	High	
Payouts	What KingdomFlow owes the church (events, memberships, courses) and payout requests.	High	Trust-critical.
Membership fees	Monthly fees invoiced to members.	Medium	

Communication

MODULE	WHAT IT DOES	IMPORTANCE	WHY
Email	Bulk email campaigns.	High	
SMS	Bulk SMS using credits.	High	
WhatsApp	WhatsApp messages from the shared or the church's own number.	High	
Push notifications	App alerts for events, groups, calls and more.	High	The main way to reach members.

Social media (plan-gated)

MODULE	WHAT IT DOES	IMPORTANCE	WHY
Instagram	Connect accounts, posts and AI replies to messages.	Medium	

MODULE	WHAT IT DOES	IMPORTANCE	WHY
YouTube	Connect channels and sync videos.	Medium	
Facebook	Connect pages.	Low	

AI and automation

MODULE	WHAT IT DOES	IMPORTANCE	WHY
Ask Aura	AI assistant for the team.	Medium	
AI rules	Controls for what the AI may say or do.	Medium	
Automations	Follow-up and scheduled flows.	Medium	

Organization and account

MODULE	WHAT IT DOES	IMPORTANCE	WHY
Team	Staff logins, roles and tab permissions.	Critical	Access control.
Billing	Subscription, add-on packs and invoices.	Critical	Platform revenue.
Branches	Multiple church locations.	Medium	
Mobile features	What appears in the member app and the home screen design.	High	Shapes the member experience.
Documentation and Support	Help guides and support tickets.	Medium	

Platform side (not for churches)

MODULE	WHAT IT DOES	IMPORTANCE	WHY
Super Admin	All churches, plans, feature flags, versions, logs, earnings, payouts, tickets and app health.	Critical	For you as the operator.
KingdomFlow Admin app	Android app for the platform owner, with scoped access for future service users.	High	
Member and team mobile app	The app members and church teams use.	Critical	

Finance and Social media depend on the church's plan. Bible School and Live stream are switched on per church by the platform owner. K-Connect is sold as monthly minutes per plan.
